# Westfield Specialty

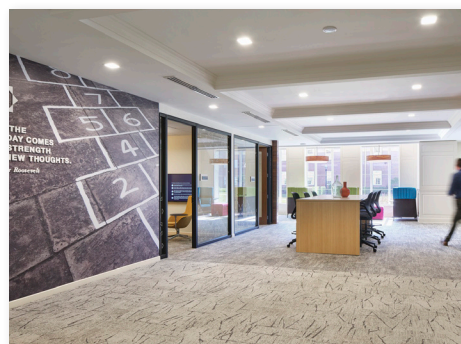

More unique than the usual, we bring deep expertise and experience to the specialty market. With our products and skilled underwriting, we solve dynamic coverage needs for clients.

## Strong Financials

Backed by 175 years of financial stability, top-rated industry performance, and a well-capitalized balance sheet, we are positioned to be a leading specialty carrier.

## Underwriting Expertise

Westfield Specialty offers strategic, creative insurance coverages that help protect businesses, recover losses, and assist in driving growth for our clients.

## Claims Expertise

Our team is responsive and dedicated to delivering outstanding, customized service to get clients back to doing what they do best.

## Expert Team, Brand and Reputation

With 150 U.S. employees and more than 300 years of collective years of talent in the specialty market plus the stellar Westfield brand behind each interaction, the Westfield Specialty experience is truly one of a kind.

Our Westfield Center headquarters is smart, modern, flexible and collaborative, mirroring the services we offer.

## Market Leadership

We're interested in new opportunities for product expansion and working with clients and brokers to solve problems and find new solutions.

## Deep Relationships

Our trusted broker network shares our dedication and is equally motivated to help clients succeed.

*People make the difference:*

## Jack Kuhn, President, Westfield Specialty

**Leading the way.** With 37 years of experience, Jack has successfully launched, built and scaled multiple insurance businesses. He has been responsible for U.S. and global insurance portfolios of more than \$6B in premiums.

“I am excited about the opportunity to establish a broad and diverse portfolio of specialty business through deep relationships and expertise. We’re building something that will stand the test of time.”

Jack Kuhn, President, Westfield Specialty
